### ANNOUNCEMENT

The PTGPFI with the support of the National Commission for Culture and the Arts would like to extend financial assistance to piano teachers who are greatly affected by the Enhanced Community Quarantine due to Covid-19.

In order to qualify, the teacher must be:

1. Relying solely on piano tutorials for income;
2. Not salaried by other institutions;
3. Not receiving any government pensions;
4. Cannot facilitate online teaching;
5. Has no other family members who are earning.
6. Should be at least an active member in the past 5 years.

Those who stand as the head of the family or the breadwinner shall be given priority as the number of beneficiaries are limited. To apply or if you know somebody in need of assistance, send an e-mail to [askptgp@yahoo.com](mailto:askptgp@yahoo.com). Once identified, it will be subject for approval.
